Dear Parents/Carers,

How can it be the end of the Spring term already? Congratulations to all our Progress Cup and Kindness Cup Winners. It is so lovely to share our Celebration Assembly with parents at the end of each half term.

What an amazingly busy week we have had with Y3/4/5 showcasing their excellent production of Cinderella Rockafella, I hope those parents who came to see the play were as impressed with the talent as I was.

A huge thank you to all parents and children who helped out at Environment Day last week – you have done an amazing job and the areas look fantastic. Thanks also to Dr Rob Smith who met with every class to share our Growing Research Project aims and information about sustainability. We are really looking forward to watching how our seeds and plants develop over the next few months.

Our next outdoor project is creating an outdoor garden in the pram shelter outside Care Club. Thank you to Matthew's Grandad who has donated some lovely bedding plants to get us started. If anyone has any old pots or planters (regular or quirky) that can be donated, we would be happy for you to leave them in this area during the Summer Term as Care Club get creative.

Year 6 have received their Leavers Hoodies, ready to wear on their return after the Easter break. I am looking forward to seeing an array of bright colours around school in the Summer Term. The final term for Year 6 is always a mixture of emotions but we do our best to give the children a truly memorable time and once SATS are out of the way we can concentrate on a Y6 performance, discos, the Summer Fair, and finally the Y6 leavers parties and assembly.

In the first few weeks of next term we will be sharing information with Y2 parents about the iPad scheme for September 2023. This scheme has successfully enabled us to make sure that we can offer a high-quality computing curriculum, as well as huge improvements in everyday teaching and learning since 2019. We will also be hoping to finalise some dates and an itinerary for the Y5 London Trip in September 2023 once we have secured a booking at the Houses of Parliament.

Over the Easter holiday our new Reception starters for September 2023 should hear confirmation about school placement offers from Lancashire County Council. We will be getting in touch with all of our new starter parents/carers in the first week to give you more information about our New Starter Meeting and induction process.

Today Norah has joined Y4 and after Easter we will be welcoming another 2 new starters to school: Vaughan in Y1 and Leonardo in Y3. We are sure you and the children will give them and their families our usual Strike Lane welcome.

I hope the weather is kind to us all over Easter and that you all have an enjoyable break from school. I am heading to the Abba Voyage Concert in London tomorrow, so will be spending this evening working on my dance routines and poses!

Have fun and we will see you on Monday 17th April.

Mrs Katherine Shuttleworth

Arbor Updates

If your child requires a place in Breakfast and/or After School Club please remember to book your child's place for Summer Term 1 via your Arbor App/Parent Portal. Your child will not have a place if you have not booked it.

Extra-curricular clubs have also been added to Arbor this week. To see what is available and register your child, head to the "Activities" section and select "Clubs"

Free School Meals/Pupil Premium

During these challenging times that we are currently experiencing, your financial circumstances may have changed and your child may be entitled to free school meals/pupil premium. You can quickly check your eligibility by visiting the following website, <https://www.lancashire.gov.uk/children-education-families/schools/free-school-meals/>

Please be aware school receives additional funding for any pupil premium children we have on roll so it would be appreciated if you check your eligibility and apply if entitled.
