6	I think the school is excellent! I love that the headteacher greets everyone in the morning. That's a lovely thing to do! My child loves the school dinners. I really appreciate the after school club and that I've never had a problem booking my child onto it. We get regular updates from school on what he's been up to which is great. School communications are fantastic. We get told about what's happening with plenty of notice. I also want to say that Miss Russell is a fantastic teacher. My son absolutely adores her and she is always very friendly. Overall we are very happy with the school!	3/22/2024 10:13 AM

20	We love the introduction of the Forest School.	3/20/2024 1:53 PM
21	My child is enjoying reception. Forest school is ace! Art is good.	3/20/2024 1:53 PM
22	The bare minimum	3/20/2024 1:52 PM
23	I appreciate the amount of effort staff go to to create an engaging experience for the children. The focus on outdoor learning and experiencing practical skill building is also great to see. I feel much is gained from building relationships between year groups - the reading buddies in particular. I can see the progress being made at school from updates at school and my child coming home wanting to build on what they've done that day / I think there's a good balance between core learning skills and the wider curriculum.	3/20/2024 1:52 PM
24	Head Teacher makes herself available to parents each morning via the playground. Range of extra activities available at no-little cost. Regular school trips, forest school, incentives are based on rewarding good behaviour rather than focusing on bad behaviour only - praise is as important as discipline and SL have a good approach to this. All staff are approachable. Tina in the office goes above and beyond for children and parents.	3/20/2024 1:48 PM
25	I like the fact that the school has really focused on outside learning as I believe it is important for children to be outside and learn about their surroundings. In addition to this the school has a lovely community spirit and regularly holds volunteer days like the upcoming gardening day.	3/20/2024 1:47 PM
26	Instilling good behaviour and appropriate values - including those expected from parents	3/20/2024 1:46 PM
27	Fabulous school my kids love it here	3/20/2024 1:45 PM
28	As a whole I think the school does well but I would prefer that parents evenings go back to face to face. The zoom meetings worked well during covid but I know a number of parents at other schools and they are all now back to in person meetings. I feel that it is a lot to ask parents to come out of work to attend zoom meetings and it might work better to be done over 2 nights to allow more flexibility around work and out of school activities	3/20/2024 1:42 PM
29	Good variety of subjects and good use of technology with Showbie/ipads/different apps that children will use in future learning and careers	3/20/2024 1:39 PM
30	Doing everything they can in the situation that have.	3/20/2024 1:36 PM
31	Broad curriculum. Clear expectations with behaviour and effort in class.	3/20/2024 1:33 PM
32	Could not recommend enough child moved into the school part way through the year and is doing great work wise and with friends. He absolutely loves going to school	3/20/2024 1:31 PM
33	My girls are happy at school, they enjoy going and they are engaged in learning, and I think that is down to the school being a welcoming place with a community feel	3/20/2024 1:29 PM
34	Strike lane is a great school	3/20/2024 1:27 PM
35	Providing a great learning environment	3/20/2024 1:25 PM
36	Outdoor learning is amazing	3/20/2024 1:22 PM
37	Our son has come in in leaps and bounds since starting school. Particularly around his reading and writing	3/20/2024 1:20 PM
38	The teachers are lovely, caring and the children love them! It is a nice size school and a great atmosphere. We love the activities the friends group organise such as the disco and movie night.	12/21/2023 7:53 PM
39	Couldn't have asked for a better school for my daughter. I've found a few inconsistencies between teachers - mainly concerning behaviour and expectations surrounding homework. But this is nothing that will hinder my daughters progress. She is thriving at school and is happy and that is all you can ask as a parent. The school has a lovely welcoming feeling - not just for the children but families and the community too. Overall it really is a lovely place to send your child. Would recommend to anyone.	12/21/2023 6:03 PM
40	Safe, caring environment for children. Teachers are approachable about any issues and helpful when giving advice and support for children	12/21/2023 4:41 PM
